

Why A.G. Edwards?

It's your money.

It's your future.

You deserve a firm

whose top

priority is You.

You deserve A.G. Edwards' client-first

commitment:

It's financial consultants dedicated to helping their clients, not themselves.

No product sales quotas. No pressure to push certain stocks and products.

They enjoy the freedom to make recommendations based on your best interests alone.

You deserve A.G. Edwards' dedicated

service:

It's the refusal to follow the trend initiated by other firms to differentiate level of service based on account size. No client is ever relegated to "broker pools" or "call-centers." Every A.G. Edwards client, regardless of portfolio size, deserves and receives the individual and personalized attention of a trusted financial consultant.

How can we serve your best interests unless we know you, your goals, needs and investment style? At A.G. Edwards, before we invest your assets, we invest in our relationship with you.

You deserve A.G. Edwards'

experience:

For more than a century, A.G. Edwards has been consistently acknowledged for quality service and investment advice. With more than 700 branches and 7,000 financial consultants, we are one of the nation's largest full-service brokerage firms.

And we continue to expand.

You deserve the personal attention and quality advice from an A.G. Edwards financial consultant. **Call today.**
