### Ten Reasons Why STEALS is Cheaper

- 1) **We only sell one-of-kinds, closeouts and overstocks.**  
Hey, when they're dumb enough to over-order, we're smart enough to under-pay.
- 2) **We have almost no overhead.**  
Look around! Do you actually think we put money into this joint?
- 3) **No straight-commission salespeople.**  
But we let employees supplement their incomes by flipping sofa cushions for your loose change.
- 4) **We don't cough up the expense of free financing.**  
If you can't afford our furniture, you're *this* close to living in a dumpster anyway.
- 5) **We're only open Friday through Sunday.**  
If you could get away with working just three days a week, wouldn't you?
- 6) **If assembly is required, you're on your own.**  
If you can't manage to fit part 'A' into part 'B' you probably don't read enough to need that bookshelf.
- 7) **We don't own delivery trucks**  
You're practically stealing this furniture. You expect us to place it on your doorstep too?
- 8) **No offsite warehouse to maintain.**  
This dump *is* our warehouse.
- 9) **We don't have a profit-boosting repair department**  
At these prices, just buy another one, Einstein!
- 10) **All sales are final. No returns or exchanges.**  
You gotta problem with that?
